The water meter scheme has taken

shape.

This means a water meter in every

flat and it means a general raise of

rents on tenants.

It also means a tremendous ex-

pense to landlords.

The only beneficiaries will be the

makers of water meters.

The City Water Department pro-

poses to make 300,000 people in Chi-

ago put in water meters.

The tendency among office holders

to ask for laws lengthening their

terms of office is working up a strong

feeling among the people for a recall

law. When there is a recall law in

operation the terms of the incumb-

ents can be regulated to suit the

popular taste.

No imported beer on the market to-

day has met with greater success than

that handled by August Luchow. The

Original Pilsener, from Pilsen, Bo-

hemia, is sold by this big concern, as

is also the famous Würzburger Hof-

brau from Würzburg, Bavaria. These

beers are the favorites at Chicago's

leading clubs, restaurants and buffets.

They are without a peer. The Chicago

offices of August Luchow are located

in the Stock Exchange building, 30

North LaSalle street and are under

the management of Hans Luchow. Mr.

Luchow has made a splendid record

for the business in the West and he

enjoys a widespread popularity among

Chicago's leading business men and

citizens.—Advertisement
